

# Connect with Tech

---

Tech & Tea Seminar  
By CommuniTech

# OUTLINE

- ❖ Explore how we can use technology to connect with others
- ❖ Risks of meeting people online

**How do you  
connect with  
others using  
technology?**

# SOCIAL MEDIA

- ❖ Keep up to date with your friends and family
- ❖ Organise social events through Facebook
- ❖ Facebook groups
  - 'Streetlife' or Nextdoor
  - Groups for people of similar interests - e.g. cat chat
- ❖ Search for other Facebook events
- ❖ Find like-minded people of Twitter

# NEW CONNECTIONS

## ❖ Volunteering

- Do it UK
- Hands On London
- Google volunteering in your area!

## ❖ Meet new people online

- Forums
- Age UK - Call in Time

## ❖ Meet new people at events

- Meet up
- Eventbrite

# TECH & TEA!!

tech&tea

- ❖ Without technology, Tech & Tea wouldn't exist!
- ❖ You are all part of the CommuniTech community!

# RISKS

## ❖ You can't trust everyone you meet online!

- Always meet others in public places
- Bring someone else with you if you are unsure
- NEVER share personal details online. Until you have met someone, they could be anyone!

# SUMMARY

- ❖ If you want to meet new people in your area, or reconnect with old friends, there are so many ways you can do it!
